

Message to the Students of MCA Engineering: Well Being

13, April 2020

Dear Students,

Today the world is facing an unprecedented time, and we greatly appreciate your understanding, patience and flexibility as the situation continually changes. We are aware of your academic and personal plans which have been altered and you have come with difficult and unforeseen challenges.

Amidst the current outbreak of COVID-19, you may be developing feelings of fear, stress, worry, and isolation. These feelings are natural when facing threats and everyone may react differently to these feelings and they can be overwhelming for some of you. Hence, we want to take a moment to make sure that, in this extraordinarily demanding and stressful time, you are taking care of yourself, specifically as it relates to your emotional and academic well-being.

Regarding the conduct of examination and its schedule the Savitribai Phule Pune University will reassess the situation and communicate with the college. The college shall then immediately communicate with the students.

To help our students handle this uneasiness, the college has established a committee comprising of college faculty that will look into your academic concerns and council the students.

The committee consists of the following faculty:

• Mrs. P.A. Chaudhari	Coordinator	9822926437
• Mrs. R.C. Samant	Member	9960450076
• Mrs. T.U. Ahirrao	Member	8275023133
• Mrs. G.G. Raut	Member	9960126502
• Ms. P.N. Deshmukh	Member	7743882647
• Ms. N.V. Bhatambrekar	Member	9158638016
• Mr. S.B. Kolpe	Member	8329336092

You may please contact any one of the aforesaid committee members between 10.00am and 12.00 noon. Also, in case of any help in coping with these feelings, below are resources that will guide you in managing your mental health.
