Get Link'D REPORT: 19/05/2023

On 19th May, Sumer had the privilege of conducting a seminar at Gokhale Education Society's R. H. Sapat College of Engineering, Management Studies, and Research in Nashik. The seminar covered various topics, including LinkedIn, college life, engineering exams, and placement preparations. It was a memorable experience for both the students and myself, and he was pleased to share the details of the event.

As this was his first seminar outside of Mumbai, he was thrilled to visit Nashik and interact with the students of this esteemed college. The response from the students was overwhelming, and he could see their enthusiasm throughout the seminar. He decided to approach their problems through storytelling, and the students seemed to connect with this method. Their active participation and engagement further motivated him to deliver the best possible content.

The hospitality extended to him during his visit was exceptional. The students took care of all the arrangements, ensuring that everything was in place. He was grateful for his warm welcome and the efforts we put into making the event a success. The support he received from the entire team of E-CELL INOVCREATA, especially Bhushan Karape, Atharva Nikam, Roshan, Tejas, and the entire team, was commendable. Their dedication and hard work in organizing the seminar and other events demonstrate their commitment to providing exposure and opportunities to the college students. He would like to extend his heartfelt appreciation to the entire E-Cell team for their amazing efforts.

During the seminar, he emphasized the significance of LinkedIn in today's professional world. He discussed how students can leverage this platform to enhance their networking, showcase their skills, and explore career opportunities. Additionally, he further shared insights on college life, providing guidance on managing academics, extracurricular activities, and personal growth effectively. Furthermore, we delved into the preparation strategies for engineering exams and placement interviews.

He provided valuable tips and techniques to excel in these crucial phases of a student's academic journey. The interactive nature of the session allowed students to seek clarification on their doubts and gain practical knowledge.

The students thoroughly enjoyed the seminar and expressed their gratitude for the insights shared. It was evident that they found the storytelling approach engaging and relatable. Many students approached me afterward, seeking further guidance and expressing their newfound motivation to excel in their academic pursuits.

Report on "Startup Awareness Program "

Event Name : Startup Awareness Program

Date : 25th April 2023

Venue : M.S.Gosavi Hall

Organized by : E-cell GESCOE

The Institute's Innovation Council, Startup and Innovation Cell (S&IC) GESCOE, successfully organized the "Start-up Awareness Program " on April 25th 2023. The spokesperson of the event was Er. Shreekant Patil who is an Entrepreneur and Founder of @Parent Nashik. The event was hosted by Sakshi Sangale & Aayush Kamble.

The program began with our Guests being welcomed with enthusiasm and Saraswati Vandana being performed by Ketan Inamdar to seek the blessings of the almighty. Dr.S.P.Agnihotri Sir held the dias where he elaborated about the event. Brief Introduction of the keynote speaker of the event, Er. Shreekant Patil sir, was given by the host. We greeted and welcomed our guest, Er.Shrikant Patil Sir, with a Bouquet & Memento by Dr.P.C.Kulkarni Sir.The principal, Dr.P.C.Kulkarni Sir, then addressed the students with his wise words.

The host then requested our Guest to take the dias and share his experiences with the students, which was the most anticipated part of the event. Keeping startups and its benefits in the forefront, he expertly highlighted how government programmes as well as the NIMA startup hub can assist entrepreneurs in reaching new heights in their startup journey. He also mentioned a few special schemes offered by the government for female entrepreneurs and encouraged women to take the most out of them.

He shared his experiences of working with the central government for many years in various organizations. He talked about his experience in startups and NIMA Startup Hub which is Maharashtra's First private Hub. Further, he mentioned about the mission carried out by their hub to create 500 startups in Nashik by the end of the year 2023.

He also discussed the differences between MSMEs and Startups, as well as how startups are more beneficial than MSMEs. He also spoke about his accomplishments, which motivated the entire audience. Speaking about his experiences, he discussed his own entrepreneurial journey and all of the hard work he put in to get to this position today.

The event then came to an end. Students were now well-versed in all startup schemes, ideas, and terminologies.The event concluded with Atharva Nikam presenting a vote of thanks to the esteemed Principal Dr.P.C.Kulkarni Sir, our mentor Dr.S.P.Agnihotri Sir, and the respected Teachers attending the event. He also expressed his appreciation to Er. Shreekant Patil Sir for his valuable time, insightful comments, and excellent mentoring. It made a big impression on the audience. And thus the event concluded successfully.
